Professional and passionate about the relationship between image, identity, and contemporary aesthetics.

Highly skilled digital retoucher and editorial photographer with expertise in professional photo post-production, specializing in high-end retouching for fashion and product e-commerce. Proven ability to manage high-volume image processing while maintaining strict visual consistency. Combines technical precision with a refined aesthetic sensibility to meet and exceed the highest commercial quality standards.

Professional Profile

- **High School Diploma in Humanities**
IES Las Canteras de Collado Villalba (Spain) / 2018-2020
- **Higher National Diploma in Photography and Design**
Escuela Artediez de Madrid (Spain) / 2020-2022
- **Bachelor's Degree in Photography and Audiovisual Creation**
Escuela Superior de Diseño de Valencia (Spain) / 2022-2026

Education

- **Digital retoucher**
Arena Retouch / July - August 2025 / Valencia (Spain)
I executed high-end retouching for fashion and product e-commerce images within high-volume workflows, ensured visual consistency and applied rigorous quality standards across diverse collections and optimized delivery times and streamlined post-production processes.
- **Lab assistant**
Classic film lab / October 2025 - February 2026 / Valencia (Spain)
I managed comprehensive order processing and provided front-line customer service, assisted in the development and high-resolution digitization of analog film rolls and Edited and color-corrected digital files utilizing Adobe Lightroom.
